INTRODUCTION.

In presenting a new Catalogue of Bedding Plants, etc., to our friends and customers, it may be necessary to explain the principles which actuate the Proprietors in the selection of the varieties herein contained.

All the choicest and best authenticated varieties, both from home and abroad, are procured every season, regardless of expense, from the most reliable sources; and such new plants as are believed to possess undoubted superiority, are offered the same year they are introduced, along with those selected from the importation of former years.

The present collection will be found to embody the choicest assortment of Bedding Plants ever yet introduced, many of which are rare, and now offered for the first time in this country.

Orders by mail promptly attended to. We desire to be informed of any error or omission (should any occur), so that it may be corrected at once, as it is our desire to satisfy all who may favor us with their orders.

All Plants sent out by us will be carefully packed and delivered on board of steamboat or railroad free of charge, after which they are at the risk of the purchaser. It is earnestly requested that parties ordering will be careful in sending orders, and be explicit in giving full directions for marking and shipping.

We desire to call *particular* attention to our Bouquets, Wreaths, Baskets, Crosses, and other floral ornaments, arranged in the best style of art, to order. This department is made a *specialty*, under our direct supervision, and we have made every arrangement whereby we will have a constant supply of the *rarest* and *choicest* flowers *at all times*, thus enabling us to execute orders received by express or telegraph at *short notice*.

The Prices in this Catalogue are for *small plants only* (except where noted)

We make *no charge for packing plants*, but for trees, etc., packing will be charged, enough merely to cover cost of material.

All goods will be legibly marked as directed and delivered to steamboats, railroads, and express offices in the city, free of expense.

Our terms are, *Cash only*. Money can be sent by draft on Cincinnati or New York, or Post Office Money Order, or we will forward goods by express C. O. D.

All orders or communications should be addressed to

NEW PLANTS

AND

PLANTS OF SPECIAL INTEREST.

DOUBLE GERANIUM—"Glorie de Nancy."

Double Geraniums.

These beautiful novelties of our favorite bedding plant merit all the commendation that has been accorded them. They are as free flowering as the single sorts, and perfectly double.

GIRONDE DE NANCY.—Large sub-globular, well-formed flowers, of a beautiful cerise scarlet color; very vigorous growth, throwing its large trusses of bloom well above the foliage; one of the most striking and beautiful bedding plants.

Price, 50 cents each.

TRIOMPHE DE LORRAINE.—A magnificent new variety. It has enormous trusses of very double flowers, well imbricated, and of the finest cherry carmine, with occasional stripes of pure white; habit compact, free flowering.

Price, $1 00 each.

Ageratum Variegatum.

A great acquisition to our bedding plants; leaves finely variegated, yellow and green, shaded with crimson; flowers blue.

Price 15 cents each; $1 50 per dozen.

Centaurea Gymnocarpa.

A beautiful plant, forming a graceful rounded bush of silvery gray; well fitted to contrast in ribbon lines, with dark foliaged plants, or massed in small beds by itself. It is also very desirable for hanging baskets, its drooping fern-like leaves being very effective.

Price, 25 cents each; $2 50 per dozen.

Pyrethrum—Golden Feather.

A new golden-leaved hardy herbaceous plant, which is now much used in ribbon lines in Europe. It forms in one season a clump of eighteen inches in diameter, and of about eight inches in height. Its leaves range with the season, from straw color to deep yellow, and from their formation and shade of color, the plant is most appropriately named "*Golden Feather.*"

Price, 25 cents each; $2 50 per dozen.

Alternanthera.

New foliaged plants; very desirable for bedding out. They are of low, compact growth; well adapted for front lines or marginal circles, in bedding groups.

Price, 25 cents each; $2 50 per dozen.

Sedum Sieboldi Variegatum.

A beautiful variety of this favorite hardy plant, introduced from Japan; leaves beautifully marked with golden yellow stripes. Very pretty for baskets.

Price, 15 cents each; $1 50 per dozen.

Sedum Carneum Variegatum.

A beautiful variegated variety of this favorite plant, with fine green foliage, edged with white. Excellent for vases and rock work.

Price, 15 cents each; $1 50 per dozen.

Solanum Jasminoides Variegatum.

A beautiful climbing plant, attaining a height of four or five feet, with finely marked green and white foliage. The flowers are white, with golden yellow anthers. It is a valuable plant for festooning around margins or vases, or for bouquets.

Price, 35 cents each; $4 00 per dozen.

Phalaris Variegata.

A beautiful new variety of new variegated grass; dwarf, compact habit, and resembling the old ribbon grass; quite hardy.

Price, 35 cents each; $4 00 per dozen.

Tritoma Uvaria Grandiflora.

A splendid half-hardy summer and autumn flowering plant, with stately flower scapes and magnificent terminal dense spikes of rich orange-red flower tubes. They may be taken up in the fall and potted, and placed in a cool greenhouse, pit, or cellar. All blooming plants.

Price, 50 cents each; $5 00 per dozen.

Gynerium Argentum Roseum. (*New Rose colored Pampas Grass.*)

Similar to the other variety, with the exception of the silvery plumes, which are beautifully tinged with rose.

Price, $1 00 each.

Panicum Variegatum.

A beautiful trailing variety of grass, resembling in growth the well-known Wandering Jew; with short ovate leaves, finely variegated white and pink. As a basket plant it has no superior.
Price, 25 cents each; $2 50 per dozen.

Gynerium Argentum. (*Pampas Grass.*)

The most magnificent of grasses, with long terminal silvery plumes, throughout the late summer and autumn months. Treated the same as a Dahlia.
Price, 50 cents each; larger plants, $1 00 each.

Hydrangea Variegata.

A finely variegated variety of this old favorite; foliage beautiful bright green and white. Adapted to a rather shaded location in the garden or about the dwelling.
Price, 50 cents each.

Hydrangea Variegata Aurea.

A new variety; variegated green and yellow foliage, forming a striking contrast to the foregoing, and adapted to the same situation.
Price, 50 cents each; $5 00 per dozen.

Reinecka Carnea, fol. var.

A beautiful variegated foliaged plant of a grassy nature, with bright green leaves, distinctly striped with bright yellow. Fine for baskets, vases, etc.
Price, 25 cents each; $2 50 per dozen.

Hydrangea Hortensis.

A well-known and favorite old plant, producing large heads of pink flowers in great profusion; the color of which can be changed to a beautiful blue, by mixing the iron scales or sparks from a blacksmith shop among the soil. It thrives best in a shady situation, with a plentiful supply of water.
Price of plants, from 25 cents to $1 00.

Coleus—Varieties.

One of our most showy and effective tribe of border plants. Planted singly, in groups, or mixed with the Centaurea or Achyranthes or both, no more pleasing effect can be imagined.

COLEUS—Marmorata, foliage yellowish green, marbled with brownish red.
" Blumeii, foliage yellow green, reddish spots.
" " lasciniata, cut leaved, very singular.
" Lamontii, foliage bright green, with crimson purple mark.
" Atropurpureus, dark purplish foliage.
" Verschaffeltii, foliage rich brownish crimson, very effective.
Price, 15 cents each; $1 50 per dozen.
Larger plants, 25 cents each; $2 50 per dozen.

Eupatorium Arboreum.

A most valuable plant for winter blooming, forming large trusses of feathery flowers of the purest white, blooming from October to January.
Price, 20 cents each; $2 00 per dozen.

Eupatorium Angustifolium.

A still later variety of the above, blooming from December to February; of the purest white, forming a neat, compact truss, three to four inches in diameter.
Price, 20 cents each; $2 00 per dozen.

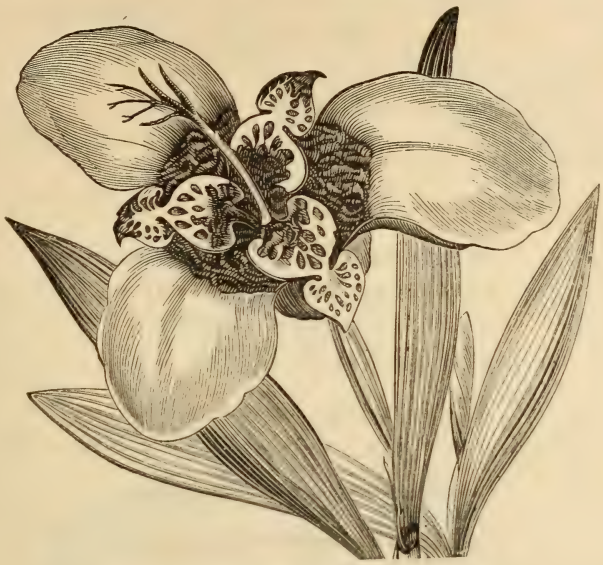
Cobea Scandens.

We offer a large stock of this unsurpassable summer climber—a favorite wherever known. Will climb over a space twenty feet square in a single season, and covered in the fall with large bell-shaped, bluish purple flowers.
Price, 25 cents each; $2 50 per dozen.
Large plants, 50 cents each; $5 00 per dozen.

Cuphea Platycentra.

This is a well-known ever-blooming plant of neat habit, growing about twelve inches in height, with scarlet black and white flowers, which are produced in great abundance.

Price, 15 cents each; $1 50 per dozen.



Tigridia, or Tiger Flower.

Natives of Mexico, producing flowers of exquisite beauty, and singularly curious shape, and the color of each variety gorgeous and purely contrasted; in bloom from July to October. After frost take up the bulbs, and keep in dry place, away from frost, until the time of planting in the spring. The following are the most distinct and beautiful varieties. We have imported several of the so-called new varieties, but find them no improvement.

Price, 10 cents each; $1 00 per dozen.

Conchiflora, orange and golden yellow, spotted with dark crimson.

Pavonia, rich scarlet, tinged and spotted with yellow.

Myrsiphyllum Asparagoides, (*Smilax.*)

There is no climbing plant in cultivation that surpasses this in the graceful beauty of its foliage, and its peculiar wavy formation renders it one of the most valuable of all plants for vases or hanging baskets, as it can be used either to droop or climb, as required; in cut flowers, particularly for wreaths, it is now considered indispensable by florists.

Price, 40 cents each; $4 50 per dozen.

Libonia Florabunda.

A neat growing greenhouse shrub, attaining a height and breadth of twelve to fifteen inches. The flowers are about an inch in length, are scarlet-orange at the base, running into deep yellow at the top, in some degree resembling a Manettia. It blooms in the greatest profusion, from December to May, and is a great acquisition to our winter-blooming plants.

Price, 30 cents each; $3 00 per dozen.

Solanum Capsicastrum.

A neat dwarf plant, of from six to nine inches in height, producing white flowers and scarlet berries, admirably adapted for baskets or for winter decoration of conservatory. The scarlet berries are much valued for mixing in bouquets, vases, and baskets of flowers. It is almost hardy, standing sharp frost without injury.

Price, 20 cents each; $2 00 per dozen.

Salvia Fulgens.

A winter flowering variety; flowers rich velvety crimson, in spikes six inches in length, in bloom during the winter months.

Price, 25 cents each; $2 50 per dozen.

Solanum Pseudo-Capsicum, Variegatum.

A variety of the well-known Jerusalem Cherry, with leaves beautifully variegated with yellowish, white, and green, the light color predominating. A valuable plant for the summer garden, and as it can be lifted and potted without injury in the fall, it forms a strikingly handsome plant for the parlor or greenhouse in winter, its scarlet berries contrasting finely with its variegated foliage.

Price, 75 cents each; $6 00 per dozen.

Salvia Splendens. (*Scarlet Sage.*)

An old and well-known bedding plant, covered during the summer and fall with spikes of dazzling scarlet flowers.

Price, 15 cents each; $1 50 per dozen.
Very large plants, 35 cents each; $4 00 per dozen.

Salvia Splendens, Gordoni.

This differs from the old variety, in being of a dwarf, bushy habit, with stronger and very large flower spikes of the most brilliant scarlet, flowering throughout the summer and a large portion of the winter.

Price, 20 cents each; $2 00 per dozen.

Salvia Patens.

A variety well suited to contrast with the above, the flowers being of the richest shade of blue.

Price, 25 cents each; $2 50 per dozen.

Chrysanthemum Japonicum.

A novel and entirely different variety from any yet introduced. It is very beautiful, the flowers resembling artificial tassels of crimson and gold.

Price, 30 cents each; $3 00 per dozen.

Chrysanthemum Sensation.

Has beautifully variegated foliage, and is admirably adapted for bedding out either in masses or ribbon work; flowers pure white, belonging to the Pompone section.

Price, 35 cents each; $4 00 per dozen.

Stevia Compacta.

A fine and valuable winter-blooming plant; flowers pure white, forming compact corymbs; very early; valuable during winter for bouquets.

Price, 20 cents each; $2 00 per dozen.

Stevia Serrata.

Similar to the above; with feathery flowers, coming in bloom a little later, it forms a valuable succession for cut flowers and bouquets.

Price, 20 cents each; $2 00 per dozen.

Artemesia Argentea.

A very neat, half-shrubby plant, of erect, branching habit, and grayish stems, with elegant silvery-gray tripinnate leaves, formed of unequally twin or triply-forked, linear, oblong lobes; free and vigorous grower. An excellent bedding plant.

Price, 25 cents each; $2 50 per dozen.

Achillea Ptarmica Plena.

A beautiful hardy herbaceous plant, with beautiful small flowers, of a pure white; valuable for bouquets; blooming during the summer months.

Price, 25 cents each; $2 50 per dozen.

Nierembergia Gracilis.

A pretty bedding plant, of good habit and delicate foliage; flowers light blue, with dark center resembling the Petunia; very free bloomer.

Price, 15 cents each; $1 50 per dozen.

Abutilon Mesopotamicum. (*Syn. A. Vexillarium.*)

A great novelty, but of easy culture, so that we are enabled to offer it at a low price. It is of a drooping, spreading habit, growing, when planted out, from two to three feet in diameter. The flowers, of which the accompanying cut is an excellent representation, are beautifully marked, the calyx being scarlet, the petals golden yellow. For baskets, vases, or rock-work, it is invaluable. Like all the tribe, it is nearly continually in bloom; our stock plants flowered from July to May, giving us quite a novelty in winter flowers; trained on a low circular trellis, it makes a most splendid exhibition plant.

Price, 20 cents each; $2 00 per dozen.

Aloysia Citriodora. (*Lemon Verbena.*)

We offer this season an exta stock of this deservedly favorite house and bedding plant, so popular on account of its delightful fragrance.

Strong plants, 25 cents each; $2 50 per dozen.

Double Tuberoses.

We offer this season a particularly fine stock of this indispensable bouquet flower. By our management of the bulbs we can guarantee nearly all to flower.

Price, 20 cents each; $2 00 per dozen.

Hemorocallis Variegata.

A beautiful variety of the Day Lilly, with leaves of bright green, heavily striped, with white very ornamental, and well suited to partial shade.

Price, $1 00 each; $9 00 per dozen.

Madera, or Mignonette Vine.

One of the finest plants for rapidly covering trellis work. Flowers feathery white, with fragrance of Mignonette.

Started in pots, 25 cents each; $2 50 per dozen.
Dry roots, 10 cents each; $1 00 per dozen.

Plumbago Capensis.

An old and very fine plant, well suited either for bedding out or for pot culture. Flowers, brilliant blue, and very profuse; blooming the entire summer and a great portion of the winter. It makes a beautiful contrast when planted with the Salvias.

Price, 25 cents each; $2 50 per dozen.

Primula Acaulis Candidissima Plena. (*Double White Primula.*)

This is, without doubt, the most valuable of all plants we cultivate for winter flowers. Well grown plants from November to April yielding often five hundred flowers of a pure white color.

Price, 50 cents each; $5 00 per dozen.
Large plants, $1 00 each; $9 00 per dozen.

Veronica Variegata.

A finely variegated variety; foliage green and white. A very pretty plant for hanging baskets.

Price, 15 cents each; $1 50 per dozen.

Delphinium Formosum. (*Perennial Larkspur.*)

One of the finest hardy herbaceous plants in cultivation; flowers in spikes of the most brilliant deep blue, marked by a white spot in the center of each floret. They will flower, if not allowed to produce seed, from July to November.

Price, 25 cents each; $2 50 per dozen.

Bouvardias.

These are now among the most important plants we grow for bouquet purposes; blooming from August till March, they are invaluable to the Florist. They are also very effective bedding plants, being covered in the open ground with very delicate flowers.

Leiantha, dark dazzling scarlet.
Laura, rose color.
Price, 25 cents each; $2 50 per dozen.
Extra plants, 50 cents each; $5 00 per dozen.

Petunia Champion.

A beautiful semi-double variety, introduced last season by us for the first time. Flowers semi-double, bright red, finely spotted with white, very large and fragrant.

Price, 50 cents each; $5 00 per dozen, included in sett of six varieties for $2 00.

Petunia Excelsior.

This variety, although introduced by us a number of years ago, still stands at the head of the double self-colored varieties; flowers of a beautiful scarlet color, very large and delightfully fragrant.

Price, 50 cents each; $5 00 per dozen, included in set of six varieties for $2 00.

Ficus Elastica. (*India Rubber Tree.*)

A very majestic plant, requiring treatment similar to the Oleander; with very large dark glossy green foliage; of very easy culture.

Price, 75 cents each.
Large plants, from $1 50 to $10 00 each.

Japan Lilies. (*Lilium Lancifolium.*)

These superb lilies are perfectly hardy, flowering freely in July and August, forming one of the most striking objects in the flower border. Strong bulbs, for spring planting, can be furnished as late as the 1st of April, after which time they can be furnished in pots, for turning out into the border. They also flower finely in pots.

L. Lancifolium Album, white.
L. do. Roseum, spotted rose.
L. Lancifolium Rubrum, white and red, spotted.

Price, 50 cents each; $5 00 per dozen.

Lilium Auratum, or Golden Japan Lily.

This superb lily has flowers from ten to twelve inches in diameter, pure white, with a golden band through the center of each petal, and covered with brownish dots. It is most deliciously fragrant. It flowers freely, and is perfectly hardy.

Flowering bulbs, $1 00 each.

Aspidistria Lurida Variegata.

A very showy and effective basket or house plant, with large broad foliage, finely marked green and white, of very easy culture.

Price, 50 cents each; $5 00 per dozen.

Rubus Grandiflorus, fl. pl.

A fine bouquet flower, very large, pure white, resembling a Camellia; blooms very profusely

Price, $1 00 each.

Nereum. (*Oleander.*)

We have a very large and well selected stock of this very popular plant. Grown in tubs or in the ground they present a beautiful appearance, blooming nearly all summer. Can be kept in a dry cellar or cool room over winter.

Splendens, bright pink, 50 cents to $1 00 each.
Album, double white, 50 cents to $1 00 each.

Violets.

Queen of Violets, very double, color white, back of petals blue, fragrant.
Schoenbrum, ever-blooming, dark blue.
The Czar, rich bluish purple, fragrant.
The Giant, large, color rich violet.

Price, 50 cents each; $5 00 per dozen.

Torrena Asiatica.

This exquisite little plant, long known as a hot-house plant, has never been fully tested as a bedding plant. It will, however, succeed finely in partially shaded situations, blooming continually all summer, with pretty little blue flowers of peculiar form and great beauty.

Price, 30 cents each; $3 00 per dozen.

White Mule Pink. (*Marie Pare.*)

A fine clear white variety; flowers borne in large trusses, having the rich clove fragrance peculiar to the Pink tribe. Valuable for forcing for winter bouquets.

Price, 50 cents each; $4 50 per dozen.

Manettia Cordifolia.

A pretty summer climber, bearing a profusion of small trumpet-shaped scarlet flowers.

Price, 30 cents each; $3 00 per dozen.

Ferns.

We have a large and well selected stock of these popular plants, for baskets, etc.

Price, 25 cents each; $2 50 per dozen.

Silene Miniata.

A neat, pretty and hardy herbaceous plant, with flowers of deep rose or carmine. It is of a dwarf spreading habit.

Price, 20 cents each; $2 00 per dozen.

Armeria Elegans.

A variety of Sea Pink; flowers of a bright carmine color, about one foot high; blooming continually during the summer months. Perfectly hardy.

Price, 15 cents each; $1 50 per dozen.

Ageratum Nana.

A more dwarf growing variety than the old *Mexicanum;* blooming profusely in heads of violet colored flowers.

Price, 15 cents each; $1 50 per dozen.

Group of Cannas.

Canna. (*See Cut.*)

The well-know Indian Shot plants, universally admired for their noble foliage; adapted for massing on rich ground. They make splendid clumps of a tropical aspect. The roots should be lifted after first frost and stored away like the Dahlia.

Warszewiczii.
Coccinea.
" *Vera.*
Sellowii.
Mutablis.
Indica.
Angustifolium.
Lutea picta.
Limbata lutea.

Price, 40 cents each; $3 00 for set of nine varieties.

Petunias. (*Single.*)

The following are an entirely new set of these popular bedding plants, selected by us this past season from many thousand seedlings. They are all of the striped class, and are really beautiful, of very robust habit and very profuse bloomers. Variegated Geraniums.

There is no class of Plants we offer in which so much popular interest is now manifested as in these Geraniums. Some of the silver-leaved varieties, of which "Mountain of Snow" is a type, are unsurpassed as bedding plants; and although the "Golden Tricolor Section," of which the variety "Mrs. Pollock" is a type, the great beauty of the leaves is, to some extent, lost when planted in the open air, in hot weather, but for greenhouse culture, or for parlor plants, nothing is more easy or worthy of cultivation.

Bijou, leaves round, silver margined, good bedder, flowers dazzling scarlet.
Clifford Beauty, foliage silvery-tipped, scarlet blossoms. Price, 50 cents.
Flower of the Day, broad silvery edge, scarlet flowers.

Price, 20 cents each; $2 00 per dozen.

Verbena Sunbeam.

Too much can not be said of this very superb bedding and pot variety. It was the past season more generally admired than any other of our large collection. It is of a a very robust clean habit; very profuse bloomer, and of a beautiful velvety pink color, with a large, lemon eye. By far the best Verbena for general cultivation that we have seen.

Price, 15 cents each; $1 50 per dozen.
Large plants, 25 cents each; $2 50 per dozen.
Very extra plants, 50 cents each; $5 00 per dozen.

Grevilla, various colored.
Prairie Queen, rosy red and white.

Price, 50 cents each; $5 00 per dozen.

Rose Marshall Neil.

This is now established as a standard variety; the bud and flower is of the largest size, of a deep canary color, shading to golden yellow toward the center. It partakes more of the Noisette than the Tea class, but a much freer bloomer. In fragrance it can not be excelled. It will stand the winters well with protection.

Price, large plants, $1 00 each.

Bengal Roses. (*Monthly.*)

Where an abundant and constant succession of flowers is desired, there are no finer. They are well adapted for growing in clumps or in pots. Like the Teas and Noisettes, they require protection during winter.

Adelaide, rosy crimson.
White Bath, pure white.
William Lobb, carmine, shaded violet.

Price, $1 00 each.

Geranium. (*Mrs. Pollock.*)

No plant that we can offer our customers, in districts where this beautiful variety has not yet found its way, will be received with more admiration. The engraving given of it, although true to outline, of course conveys no idea of the beautiful marking of the leaves, which is the great attraction of this class of plants. The ground color or disc of the leaf is deep green; next comes a zone of bronzy crimson, the margin of which is tinted with scarlet; then again a belt of lighter green, the margin of the leaf being bright yellow. As an ornament for the parlor or conservatory, nothing yet excels this lovely plant. The flowers are dark scarlet, in good sized trusses, borne on short foot stalks but a few inches above the leaves. It succeeds well in the open border in early summer and in fall, but in July and August, to some extent, loses the rich coloring of the leaves. The foliage is much used for bouquets and baskets of cut flowers.

Price, 50 cents each; $5 00 per dozen.

Dicentra (Dielytra) Spectables. (*Bleeding Heart.*)

A handsome, most curiously-formed rosy crimson flower, with white and blue tinged stamen; one of our finest border plants; quite hardy and of a bulbous nature; decidedly our handsomest hardy herbaceous plant.

Price, 25 cents each; $2 50 per dozen.
Large plants, 50 cents each; $5 00 per dozen.

Dicentra Eximia.

A smaller variety of the above, with finely-cut foliage, and very profuse bloomer, being in bloom nearly all summer.

Price, 50 cents each; $5 00 per dozen.

Colocasia (Caladium) Esculentum.

Colocasia (Caladium) Esculentum.

One of the most beautiful and striking of the ORNAMENTAL FOLIAGED PLANTS in cultivation, either for culture in large pots, or for planting out upon the lawn; it will grow in any good garden soil, and is of the easiest culture; when of full size it stands about five feet high, with immense leaves, often measuring four feet in length, by two and a half in breadth; very smooth, of a light green color, beautifully veined and variegated with dark green. The root should be preserved in dry sand, in the cellar, during winter, out of reach of frost.

Price, 50 cents each.
Large plants, $1 00 each.

Hardy Herbaceous Plants.

Armeria Elegans.
Achillea Ptarmica Plena. Price, 30 cents.

New Raspberry—"The Baker."

We have, at great expense, secured a large stock of this new, and FAR SUPERIOR to any old Raspberry, from the originator, Mr. Parnell. In color it is of a beautiful bright red, a perfect cap shape, of a delicious flavor, and fully double the size of the Philadelphia, or well-known Black Cap. It is exceedingly productive, and as a family berry can not be excelled. It was unanimously recommended by the Cincinnati Horticultural Society, in the spring of 1868, as far exceeding any variety in cultivation.

Price, 75 cents each; $7 00 per dozen.

New Raspberry—"Parnell."

Another new variety by same originator, and of a beautiful dark red color; shape conical; of the highest excellence, and by far the LARGEST RASPBERRY in cultivation. It is very firm, and exceedingly productive, and bears carriage well, and will prove to be the most valuable market berry in cultivation. Recommended by every member of the Cincinnati Horticultural Society, as the best market berry in cultivation.

Price, 75 cents each; $7 00 per dozen.

Resurrection Plants. (*Lycopodium Lepidophyllum.*)

This is a very interesting curiosity from Mexico. The plant, in a dry state, appears quite dead; but, when immersed in water for twelve hours, the whole plant will expand to a large size, and the leaves turn from a brown to a beautiful green color.

Price, 35 cents each; $4 00 per dozen.

Page's Patent Pump and Sprinkler.

This is a new, simple, and very valuable invention, and combines most of the advantages of a Watering Pot, or a light Force Pump and a Garden Engine, and far surpasses the old style green house syringe. It can be operated by any one, and a lady can syringe her house plants without fear of damage to either furniture or carpets. The finest spray or the heaviest stream can be thrown at the operator's pleasure. We have accepted the agency for it; and they can be obtained at our store for $6 00 each for tin, and $11 00 each for brass.

SEED BUSINESS NOTICE.

Our SEED business, though in operation but a few years, has greatly exceeded our anticipations, and we feel confident in believing that but very few of those who have kindly favored us with their patronage, but have been fully satisfied with the manner their orders have been filled, and with the quality of Seeds sold. We aim to have none but fresh and genuine Seed, and any that we deem doubtful are immediately tested, as our hot-house facilities for testing Seeds give us great advantage in that particular.

We offer a few varieties of the new Seeds, now offered by us. For full descriptions and prices we refer to our

Illustrated Seed Catalogue,

which will be mailed to applicants enclosing a three-cent stamp.

Carter's First Crop Peas.	Dwarf Wax Bean.
Caractacus Peas.	True Valentine Bean.
Laxton's Prolific Long Pod Peas.	Large Early Erfurt Cauliflower.
McLean's Little Gem Peas.	Le Normand Cauliflower.
Dwarf Watterloo Marrow Peas.	Carter's Dwarf Celery.

And many others.

New Tomato. (*General Grant.*)

Size above medium, three to four inches in diameter; growing in clusters; form round slightly flattened, very regular, symmetrical and rarely ribbed or wrinkled; color, brilliant glossy crimson; flesh unusually firm, solid, and free from water.

Price, per packet, 25 cents.

Early Rose Potato.

This new and popular Potato has proved all that was claimed for it when offered for the first time last Spring. It is very productive, yielding from fifty to ninety fold with common culture; two weeks earlier than the Early Goodrich, and a very strong grower. Tubers quite smooth, nearly cylindrical, varying to flattish, largest at the center, tapering gradually toward each end; skin a dull rose color, flesh white, and one of the best flavored varieties in cultivation.

Price, one pound, $1; three pounds, $2; per peck, $5.

Goodrich's Seedling Potatoes.

These highly valuable Seedling Potatoes were raised by the late Rev. Chauncey E. Goodrich, Chaplain of the New York State Lunatic Asylum, at Utica, N. Y. He spent fifteen years in experimenting upon the production of new varieties, and raised over *sixteen thousand seedlings*, of which he esteemed the Harrison and the Early Goodrich (which are twin brothers, and seedlings from the Cuzco), as the very best.

THE HARRISON is a white Winter variety, of high quality and beauty, unequaled in productiveness by any known kind. Mr. Goodrich stated that he had raised at the rate of six hundred bushels per acre, when only three years from the seed ball.

Price, $3 per bushel; $1 per peck.

THE EARLY GOODRICH is one of the best and most productive early Potatoes known. It keeps equally well with the Harrison, and has repeatedly yielded over three hundred and fifty bushels per acre.

Price, $2 50 per bushel; 75 cents per peck.

Family Government.—The President, with Mrs. H. E. F. Rowland, Lady Principal; Miss Julia M. French, Governess.

The advantages of this School are:

First. **Its Location.**—Within the city limits, it is only a half-hour's drive distant from any of the Depots, and within easy call of the Telegraph Offices, Post Office, and Stores. But being five hundred feet above the level of the river, it has none of the annoyances of the city. Surrounded by beautiful residences, it looks out in every direction upon a delightful prospect, and is as free from intrusion as though it were in a quiet country village.

Second. **Its Home Influence.**—The building used by the Boarding Department is entirely detached from the School House. It is almost new, and all its arrangements for light and heat are according to the most approved plans. Its rooms, each of which is designed to accommodate two young ladies, are large, and are furnished with a view to make them home-like. A Parlor, 50 by 40 feet, is devoted exclusively to the School. The discipline of the School is that of the family. It is the constant aim of those in charge to keep up the home feeling, to create an atmosphere of perfect *material* comfort, and then to administer a moral discipline inspired by love, and instructed by the law of Christ.

Third. **Its Extended and Comprehensive Course of Study.**—The Course of Study runs through three departments, of four years each. Parents can therefore give their daughters the benefit of a continuous and symmetrical mental discipline. The length of the course guarantees comprehensiveness. The classical schedule comprises a list of the higher branches of study, which bears comparison with that of colleges for young men. This also allows the best of opportunities for a select course, if students do not wish to follow the regular order.

Fourth. **The QUALITY of its Instruction.**—No instructors are employed but those who have either, by long experience, proved themselves apt to teach, or who have been trained in the School. To secure such, no expense has been spared. Three of the four teachers in the Classical Department have been fitted for their work in the best colleges of the land.

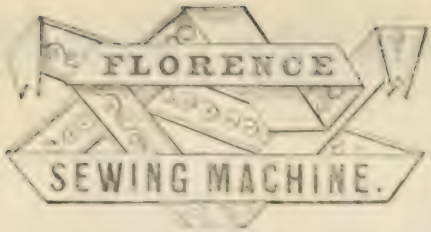
The Fall Session will commence September 14th.



1867.

In no previous year has there been such strong competition among all the leading Sewing Machine Manufacturers of this country and Europe as the present. At all the principal Exhibitions and Fairs they met and contested for the Premium on Family Sewing Machines, and the result was unanimously in favor of the Florence Reversible Feed Lock-Stitch Family Sewing Machine. It received the First and Highest Prize as the best Family Sewing Machine at the following Exhibitions, viz.: Exposition Universelle, Paris; American Institute Fair, New York; New England Agricultural Fair, at Providence, R. I.; the New York State Fair, at Buffalo; the Great Annual Fairs of New England, viz.: that of the Mechanics' Association, at Lowell, Massachusetts, and the Fair of the Maryland Institute, at Baltimore, which closed a four-weeks' Session on the 12th of November, the superiority of the FLORENCE was again confirmed by the Committee on Sewing Machines, who unanimously awarded it the "GOLD MEDAL," the highest Prize the Institute confers.

[illegible] would seem as if this succession of triumphs should be sufficient to convince every unprejudiced person of the great superiority of the FLORENCE [illegible] all [illegible] Family Sewing Machine.

A written warranty is given to the purchaser, that the Machine WILL DO ALL that is claimed for it, and should it fail, it will be taken back, and the MONEY REFUNDED.

Waltham Watches.

TO BUYERS OF WATCHES EVERYWHERE.

Since the manufacture of Watches was initiated at Waltham, the Company have made and sold about 400,000 Watches. In every town and village of the country some wearer of a Waltham Watch may be found. Let the party about to buy ask the owner of an American Watch this question:

"Has your Watch given you satisfaction?"

We are not afraid to advise those wishing to buy a Watch to guide themselves by the answer. Being satisfied as to the quality of the Watch, the buyer has now only to satisfy himself that the Waltham Watches are THE CHEAPEST, as well as the best. On this head we have a few words to say.

It is a well-known fact in manufacturing, that the greater the number of articles manufactured by one establishment the smaller will be the cost of each individual article. Keeping this in view, our policy has always been to sell our products at the lowest possible price, in order to secure large sales, and thus enable us to manufacture Watches at a minimum cost. We believe in small profits and a large business. This policy we have successfully carried out, and the result is, that to-day we manufacture twice as many Watches as all the other factories in the United States put together. We can, therefore, afford to sell Cheaper than they do, and actually do sell Twenty-Five Per Cent. Cheaper than they do, quality for quality.

We would further remark, that in increasing our product we have constantly improved its QUALITY AND ITS VARIETY. We have had the refusal of nearly all invention intended to improve time-pieces, and have adopted all those, and those only, which have proved to be really valuable. We have retained in our employment every head of a department we have ever had whose services were of any importance to the Company, and our present corps of designers and master mechanics cannot be equalled in this or any other country. In addition to this, we make Gold and Silver Cases, not only for our own movements, but for those of other factories, ours being the only establishment that turns out Watches complete in every respect.

As these Watches are for sale by the trade generally throughout the United States, and at a retail profit made most reasonable by competition, the Company invariably decline orders of a retail character.
